Sir:

Responsive to the Decision dated July 13, 2010, denying the Petition to Revive under 37 C.F.R. 1.137(b) Applicant submits the following Petition Under 37 C.F.R. 1.182 to explain the discrepancy in the name of Vojislav Protic between International Application No. PCT/US2004/028926 and the subject U.S. National Phase Application.

When the PCT application was filed, a shortened form, Voya, of the inventor's given name was erroneously used. When the U.S. National Phase application was filed, this error was corrected. Pursuant to the requirements of MPEP § 605.04(b), the inventor's full given name, Vojislav, was listed on the Declaration. The error in the filing of the PCT application occurred without deceptive intent.

Thus, with the acceptance of the petition under 37 C.F.R. § 1.497(d), the inventive entity in the PCT application is the same as in the U.S. National Phase application, only the form of the given name of inventor Vojislav Protec is different. Accordingly, Applicant requests

waiver of the requirement that the names of the inventors on the International Application and the U.S. National Phase Application be the same and requests that the petition under 37 C.F.R. § 1.137(b) be granted.

Respectfully submitted,
